## FOODWASTE/ORGANIC RECYCLING PROGRAM

The City of Los Angeles Department of Public Works Bureau of Sanitation and Norcal Waste Disposal Services, Inc. are working together to find restaurants and food service establishments to participate in this recycling program. By helping the City of Los Angeles comply with the state recycling law the environment and your establishment will benefit greatly.

*Our goal is to offer a cost-effective and environmentally friendly alternative for the disposal of restaurant waste.*

**By participating in the program you will reduce the cost of your current trash bill.**

### ACCEPTABLE MATERIAL:

- All kitchen preparation and food trimmings.
- Plate scrapings, meat, bones, fish, dairy products, and baked goods.
- Coffee grounds and filters, soiled paper products and paper cups & plates.
- Waxed cardboard boxes, and milk cartons.
- Floral waste, landscaping trim.

***NO** \* Plastic bags, plastic cups, styrofoam, bottles, liquids, grease, metals, and any other non-biodegradable items.*

**BENEFITS\*** All restaurants and food service establishments could be composting over 75% of their waste! With the composting rate offered at a 25% discount, you WILL lower your garbage costs by recycling. This program is subsidized by the City of Los Angeles.

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodations to ensure equal access to its programs, services, and activities. TTY #213-473-5661.
