

Palos Verdes Estates

Recycling and Trash Collection Service

Athens Services is proud to be a part of the City of Palos Verdes Estates. Waste reduction and management takes teamwork and the residents of this community and its elected and appointed leaders deserve credit for their accomplishments. We are committed to providing the most efficient, cost-effective, and environmentally sound waste disposal possible.

Collection Service

Please have your containers accessible in your designated location by 7:00 a.m. on your collection day. Customers must provide their own containers for refuse service. Sturdy 30 to 33 gallon cans with tight fitting lids are recommended. We suggest durable plastic and/or metal containers.

Bulky Item Collection

Residents of Palos Verdes Estates receive one free Bulky Item Pickup a year. In addition, residents may make arrangements with us for the collection of special refuse on an as-needed basis for an additional cost of \$25.00 per item. For more rate information, call (888) 853-5110.

Latex Paint

Your latex paint will be accepted free of charge at Lunada Bay Hardware Store at 2216 Via Anacapa on the first Saturday of the month between 9:00 a.m. and 1:00 p.m. The City and County of Los Angeles Department of Public Works sponsors a household hazardous waste drop-off program. For more information, please call (888) CLEANLA or go to <http://www.athensservices.com/hazardous.htm>.

Yard Waste

Yard waste recycling is an important part of the City of Palos Verdes Estates program to meet recycling goals. Athens Services is providing each resident with two 32 gallon green containers (specifically labeled for green-waste) that will be collected once per week on your regularly scheduled collection day. You may recycle an unlimited amount of yard waste as long as the materials are in similar containers that are clearly marked "yard waste." We will also accept bundles no longer than 36 inches, wider than 18 inches, or more than 30 pounds. Please place these bundles next to your green-waste container.

Acceptable Items

- Grass & leaves
- Pruning
- Weeds
- Vegetation
- Twigs & small branches
- *Zacate y hojas*
- *Podar(podamiento)*
- *Mala Hierba*
- *Vegetacion*
